The TOTALPartners AG is pursuing a long term business strategy with the Founder, CEO & Main Shareholder Thomas Dittus and the various Experts and Investors involved in the main product groups. The advantage for each customer is the development and manufacturing of competitive and quality-conform products. The TOTALPartners AG is positioned as a OEM- and Private Label Manufacturer, who is not only guaranteeing the supply of "Retail-Ready Product Assortments", but also takes the responsibility regarding the conformity with laws & regulations to comply with the relevant legal market requirements in Europe. We are specialized on three business segments with individual product and service areas:
